## AC Corporate Social Responsibility program

Our program is managed by our Employment Equity Committee as we felt it was important to have the staff involved in and committed to the projects we as a company get involved in.

Here are some brief details of the current beneficiaries;

**Ikholwa Childrens Home** [www.ikholwa.com](http://www.ikholwa.com)

To quote from their website;

"Ikholwa Children's Home was formed to give hope and improve the lives of vulnerable babies and children by partnering with Government efforts and interested members of society

We achieve this by offering unconditional love, restoring dignity, in an atmosphere of family and total acceptance to all children who come into our care.

*We envisage each child who passes through our care, reaching their full potential in life and becomes full contributing members of society and making a difference. Our vision is to see fully healed and restored unique individuals who have a restored hope and bright futures"*

Jicama is a registered company incorporating Section 21, registered Section 18A and a registered Non-Profit Organization whose primary purpose is to support deserving organisations in their efforts to meeting the needs of those less fortunate and able.

therefore that some of the pupils are not academic. What does the future of a visually impaired learner hold if his/her education does not provide anything in that regard? Jicama's goal is to fully prepare the visually impaired persons for meaningful integration/inclusion in the society.

Associated Compliance has, in agreement with Jicama, decided to support the school's **annual Christmas function** in place of our normal annual Santa's Shoebox Project. Staff will get the opportunity to select a Jicama learner off a list and to buy a value-adding gift which will be handed over during their Christmas function.

### **Staff independent initiative: Blanket Drive**

This is a separate initiative suggested by the members of the committee and is not directly funded by AC.

It uses the FAIS annual report process as the backdrop to getting clients involved in the initiative. We also invite our business partners to participate as well as the staff of AC.

A total of 70 blankets were collected in the inaugural drive in 2017. These were donated to;

- The Cradle of Hope House of Restoration in Krugersdorp. This is a home for abused women and children. This donation formed part of the 2017 Mandela Day event.
- The Lighthouse in Randburg. A home and shelter for children
